# WELCOME MESSAGE FROM THE PRESIDENT

Dear Colleagues,

It is the time of the year for us to start planning again for the 24th AGM, Conference and Exhibition 2019.

It has always been a source of pleasure for me to extend this invitation to all our members and corporate members locally and abroad to participate in this event. Your unwavering support for the Association and your enthusiastic participation in MSSA conference year after year with invited renowned speakers have made our conference great.

This year, our theme is 'Reused Medical Device (RMD), Get It, Keep It & Send It Safe'. Prior to purchase, the way that a device will be reprocessed must be taken into consideration. Reprocessing must be carried out in a centralized area by trained staff, with monitoring and quality control parameters built into the process.

Reusable devices become soiled and contaminated with microorganisms when used on patients. To avoid any risk of infection by a contaminated device, adequate reprocessing of reusable medical devices is vital to protect patient safety. Being the department entrusted with the task of ensuring sterile services in a hospital, it is

critically important for us to give quality assurance to the users of our services.

This conference will help us to identify and address some of the Reused Medical Devices (RMD) issues and we believe this is important and must continuously be undertaken.

Finally, I would like to take this occasion to express my gratitude to the Ministry Of Health Officials, Directors of Private Hospital, Corporate Members and all members for their continuous support. I also extend my utmost appreciation to the committee members who have given much time and energy in making this conference a success.

Warmest regards,

**KAMARIAH JUSOH A.M.N**  
President  
Malaysian Sterile Service Association (MSSA)  
12<sup>th</sup> December 2018

## TENTATIVE PROGRAMME

### 21<sup>st</sup> April 2019 (Sunday)

2.00 pm onwards	Conference Registration
2.30 pm - 5.00 pm	Pre-Conference Workshop <i>(Limited to 50 Pax only based on first come first served. Contact Conference Secretariat for more details)</i>

### 22<sup>nd</sup> April 2019 (Monday)

7.00 am	Registration
