WELCOME MESSAGE FROM THE PRESIDENT

Dear Colleagues,

On behalf of the Malaysian Sterile Service Association (MSSA), it is an honour once again for me to welcome all of you to the Premieria Hotel Kuala Lumpur for our 28th Conference and Exhibition 2023.

This year, I would like to call all, especially our MSSA members to pay attention to our theme '**Traceability Enhance Patient Safety - thus Improve Quality Care**'. Effective tracking and tracing of Reusable Medical Devices (RMD's) throughout the decontamination process will create an effective audit trail for service users to ensure that the products are compliant with required standards and processes.

Specific benefits include improved safety measures by ensuring traceability on individual instruments. This includes preventing surgical instruments from being left inside a patient's body, preventing errors in counting, surgical sets being assembled more precisely, preventing loss and unauthorized takeout. The system enables the hospital to analyse more easily the instruments' frequency of use, turnover and stock status at specified piece and set levels.

I trust that the 28th Conference and Exhibition will continue the tradition of being a friendly platform for interaction and exchange of ideas, sharing of knowledge and experience. Indeed together I hope we will be able to address the various challenges in our profession and overcome these challenges to deliver better performance.

Finally, I would like to express my gratitude to the Ministry Of Health Officials, Directors of Private Hospital, Corporate Members and all members for their continuous support. I also extend my utmost appreciation to the committee members who have given much time and energy in making this Conference a success.

Warmest regards,

KAMARIAH JUSOH A.M.N

President

Malaysian Sterile Service Association (MSSA)

1st February 2023

WHY YOU SHOULD ATTEND

- The Annual MSSA Scientific Meeting not to be missed.
- Seize opportunity to have all your questions answered.
- Share information with prominent foreign, as well as local invited speaker and delegates.
- Obtain latest technology from the trade exhibitors.
