WELCOME MESSAGE FROM THE PRESIDENT

Dear Colleagues, On behalf of the Malaysian Sterile Service Association (MSSA), it is our honour and pleasure to invite all of you to the Summit Hotel Subang USJ for MSSA 29th Conference and Exhibition 2024.

Our theme for this year, '**STERILIZATION IS GLOBALIZATION FOR THE FUTURE**'. We have gathered a panel of eminent international and local speakers to help deliberate this theme and the issues involved. The programme will focus on sharing knowledge on each level of sterilization and for each partner in the process. All subjects will be covered and recognizable for the delegates. I hope we will be able to address the latest advances where sterilization processes are not only faster; safer but also more intelligent and efficient.

The journey of sterilization technology has been marked by relentless innovation and improvement, moving from cleaning methods to sophisticated, efficient sterilization techniques. The role of sterilization technology stands as a cornerstone, ensuring the safety and well-being of both patients and practitioners

I trust that the 29th Conference and Exhibition will continue the tradition of being a friendly platform for interaction and exchange of ideas, sharing of knowledge and experience.

Finally, I would like to express my gratitude to the Ministry Of Health Officials, Directors of Private Hospital, Corporate Members and all members for their continuous support. I also extend my utmost appreciation to the committee members who have given much time and energy in making this Conference a success.

Warmest regards,

MADAM KAMARIAH JUSOH A.M.N
